

We're moving!

We will soon be moving to our new Centre in Waurnd Ponds. As we transition to the new Centre there will be changes to office-based appointments. Home visits, or alternative arrangements, will still continue as organised by your therapist.

Key dates:

9 - 20 December: Closed to centre appointments as we move. Home visits will continue and we are still contactable.
21 December - 12 January: Closed for holiday break.
13 January: Open for 2020 in our new Centre.

Our new address will be:

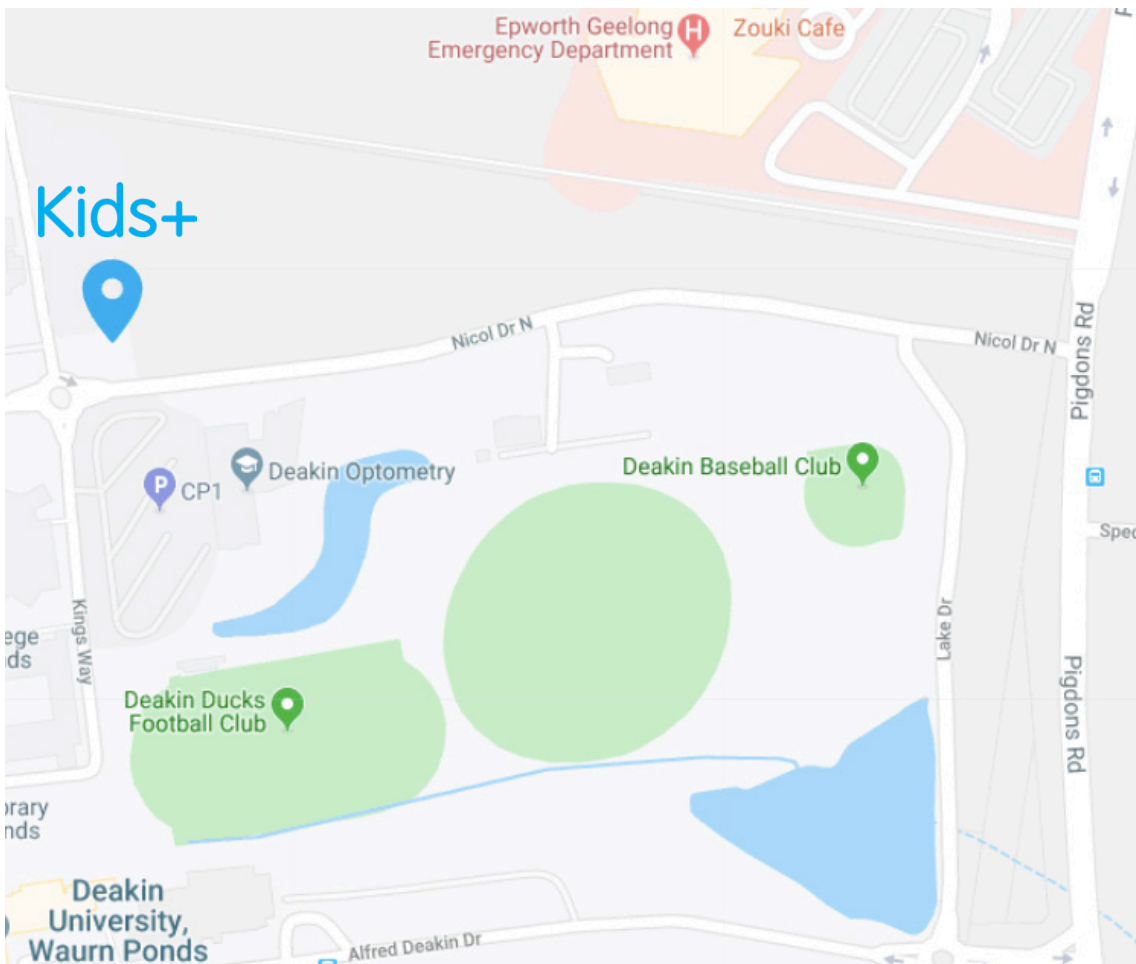

Building LX Deakin University 75 Pigdons Road, Waurnd Ponds VIC 3216

**Please see below for a map*

We will still be contactable on 03 5223 1475 and by emailing info@kidsplus.org.au as we move. These contact details will not change when we open in the new Centre.

Parking

We will have 10 parking spaces for clients at our new Centre. These parks will be clearly marked and free for Kids Plus clients. Please see reception about a KPF permit to display on your car dashboard.

If these parks are full, there is parking around the campus. Disability parks will be free to park in around campus, however, general parking is paid. Payments at the campus are taken via the Cello-Park Australia app or at the meter at the entrance of the campus. We recommend downloading the app before your first visit.
